(probationary academic professionals only)

Academic Affairs Manual (ACD) policies governing academic professionals' promotion: [ACD507-06](#).

## Candidate Responsibilities

- Step 1. External reviewers proposed by candidate.** Candidate submits to unit administrator a list of at least 10 names of people he/she/they recommend to serve as potential external reviewers.\* At least five of the 10 names provided by the candidate must be at institutions that are approved peers or aspirational peers of ASU. Proposed reviewers by the candidate and the unit administrator must meet eligibility requirements as described [ACD507-06](#) It is recommended that this occur early in the spring semester, following unit/library (hereafter referred to as "unit") and college/ASU Library deadlines.
- \* If no appropriate unit exists with the college/ASU Library, the decanal staff will complete the unit's action items.**
- Step 2. Materials submitted by candidate.** Candidate checks with unit administrator to determine the unit's submission deadlines for the following materials. According to the unit deadline, candidate submits electronic copies (PDF) of the following to the unit:
- a. A full and comprehensive **Curriculum Vitae** with page numbers and candidate name on each page.
  - b. A **Personal Statement** up to four pages in length, single-spaced, minimum of 0.70-inch margins, 12 pt. font with page numbers and candidate name on each page. The personal statement should put past work into perspective, provide clear evidence of that work's impact on the field, and outline future goals. The personal statement should help reviewers see relationships between the candidate's teaching, research, and service, and how these activities have built the foundation for continued professional growth.
  - c. **Publications/Creative Materials:** Any candidate whose position description includes an expectation of research/scholarship shall also submit publications/creative materials.
    - i. Candidate completes the [Confirmation of Publications/Creative Materials Selections](#) by listing up to four publication titles or descriptions of creative activity reflecting his/her/their research, scholarship, and/or creative activities; please include citation information as applicable and PDF page numbers on the form. A creative activities portfolio documenting overall professional activity may be submitted as one piece of evidence. Materials should demonstrate excellence and the promise of continued excellence.
    - ii. Candidate provides unit with electronic copies of publications/creative materials identified on the Confirmation of Publications/Creative Materials Selections. If applicable, submit three copies of CDs or DVDs of copyrighted material that cannot be scanned (e.g. music, film, etc.). Links to web applications (e.g. Dropbox) are not accepted unless the college/ASU library has received prior permission from the provost's office.
    - iii. Candidate signs and submits Confirmation of Publications/Creative Materials Selections to the unit. Do not lock documents and do not use an electronic signature (e.g. Adobe Sign, Adobe Certificate, DocuSign, font) to sign forms. JPEG signature is accepted.
    - iv. See **Not Applicable Sections in Important Reminders** if the candidate's position description does not include an expectation of research/scholarship.
  - d. **Evidence of Excellence in Teaching and Mentoring.** Any candidate whose position description includes an expectation of teaching shall include evidence of excellence in teaching and mentoring. These materials are in addition to the Summary of Student Evaluation of Instruction provided by the unit. Material in this category is included in the **Teaching Evidence** section. Candidates should work with their unit administrator to identify appropriate materials that would effectively demonstrate an engaged effort to improve/sustain excellence in teaching and mentoring. The dossier should include at

# Process Guide for Continuing Status

(probationary academic professionals only)

least three (3) different types of evidence of teaching excellence, one of which must be the candidate's Summary of Student Evaluations as required by ABOR policy. Other types of evidence may include, but are not limited to: recent, objective, and substantive peer or director evaluations of teaching, teaching or mentoring honors/awards, scholarship with a focus on pedagogy, evidence of student success through a sequence of courses, evidence of mentoring such as student theses and dissertations (especially to completion), papers co-authored with students and projects with student collaborators, evidence of student career success related to the candidate's teaching or mentoring, examples of effective teaching innovation by the candidate, peer review of student portfolios; or other evidence determined to be appropriate by the unit administrator in consultation with the candidate, or facilitation of workshops on learning outcome assessment or other pedagogical topics. Evidence should not include student comments on evaluations, course materials (syllabi, sample tests), or other subjective materials. Continuing-status track academic professionals may want to include teaching information from the previous ten years. If ten years of data at ASU is not available, course information from previous institutions can be included, if available. Material in this category should be selected carefully, as the quantity of material counts toward the 50-page/10MB size limit described in the Supporting Materials section, regardless of whether materials are required by the college/ASU Library or academic unit. (Summary of Student Evaluation of Instruction does not count toward the 50 page/10 MB size limit; academic unit-directed peer visit reports do not count toward the size limit if required by unit/college/ASU Library bylaws. See **Important Reminders** section for more information.)

- i. See **Not Applicable Sections in Important Reminders** if the candidate's position description does not include an expectation of teaching.
- e. **Supporting Materials (Optional).** Candidate submits electronic (PDF) of Supporting Materials to unit.
  - i. Supporting materials may include a total of 50 pages not to exceed 10MB of additional electronic material highlighting excellence in teaching, research, and/or service. The 50-page/10MB limit is inclusive of materials described in the Evidence of Teaching Excellence section. The confirmation page does not count toward the 50-page limit.
  - ii. If the candidate chooses to include letters of support from a member of the academic personnel from units outside their continuing-status home in this section, the letters are not confidential. A member of the academic personnel who will review and vote on the candidate should not contribute such a letter (per ACD 111-01). (Note that the materials in item (2.d.) are included and counted within this page/size limit.)
  - iii. Candidate completes, signs, and submits the [Confirmation of Optional Supporting Materials](#) sheet to the unit. If the candidate is not submitting any supporting materials, please indicate it on the form. Please include citation information as applicable and PDF page numbers on the form. Do not lock documents and do not use an electronic signature (e.g. Adobe Sign, Adobe Certificate, DocuSign, font) to sign forms. JPEG signature is accepted.

**Note: Step 5.c. indicates the materials that are sent to external reviewers.**

---

## Unit responsibilities

- Step 3. Unit/College/Library Criteria.** Confirm that unit/college/ASU Library criteria have final approval by the provost and are posted on the academic personnel website.
- a. If promotion criteria—including continuing status criteria—are imbedded within a larger document (e.g. bylaws, policies or procedures guides), submit the entire approved document with bookmarks on the first page of the document as well as the criteria section.

# Process Guide for Continuing Status

(probationary academic professionals only)

- b. Unit and college/ASU Library document(s) are included in **Unit and College/ASU Library Criteria** section.
- c. If the candidate has an approved Joint Appointment Memorandum of Understanding (JAMOU) on file, the JAMOU is included and bookmarked. The JAMOU goes before the unit criteria in the **Unit and College/ASU Library Criteria** section. If salary amounts or other confidential details are included in the JAMOU, they must be redacted before distribution to external or internal reviewers, with a note stating who redacted it and the date.
- d. If it is a joint appointment where continuing status is truly in two units (or colleges/ASU Library), the criteria for both units (or colleges/ASU Library) must be included. If it is a joint appointment where continuing status is only in one unit, only the criteria for the academic home is included.
- e. If unit (or college/ASU Library) criteria are not applicable, please include a page that indicates that unit (or college/ASU Library) criteria are not included.
- f. College/ASU Library must review the **Unit/College/Library Criteria** section before distribution to external or internal reviewers.

**Step 4. External reviewers proposed by unit administrator, and informal contact of reviewers.** The unit completes the following actions in preparation for external review. While colleges/ASU Library may set earlier deadlines for this component, it is recommended that it is completed no later than May 15.

- a. Unit administrator develops a list of at least 10 names of people he/she/they recommends to serve as potential external reviewers. At least five of the 10 names he/she/they provides must be at institutions that are approved peers or aspirational peers of ASU. Proposed reviewers by the candidate and the unit administrator must meet eligibility requirements as described in [ACD507-07](#).
- b. Unit administrator meets with dean to go over the list of all names submitted by the candidate and the unit administrator for consideration as external reviewers. From the list, dean identifies acceptable reviewers, equally divided between candidate and unit administrator lists.
- c. Unit administrator informally contacts list of acceptable candidates identified by the dean. Informal contact is to ascertain reviewers' availability, with the goal of obtaining 10 available reviewers equally divided between the candidate and unit administrator lists. At least five reviewers must be from peer/aspirational peer institutions.
  - i. The preference is not to name the candidate during the informal contact. However, if using the candidate's name is necessary in order to secure a strong pool of external reviewers, then the informal contact to each potential reviewer may include the candidate's name provided the unit administrator does not comment on or discuss the case. The same approach should be used for all candidates in that unit for that year. If the candidate's name is used in the informal request, then the unit administrator should note that fact in the unit administrator letter.
- d. Unit administrator completes the [External Reviewers Grid](#) identifying 10 reviewers equally divided between approved candidate reviewers and approved unit administrator reviewers who are available and will receive a formal invitation to participate in the review. Once an external reviewer has been formally invited to participate, the reviewer remains on the grid even if he/she/they fails to submit a letter. Declined or no-response emails are not included with the received external reviewer letters in the PDF Portfolio. Indicate in participation status on the form if a reviewer is not contacted. Be sure to add the COI to the grid if noted after letters are received.
  - i. External reviewers are listed with candidate-proposed reviewers in the first group and unit administrator -proposed reviewers in the second group. Reviewers are assigned a C# to candidate-proposed reviewers and an L# to unit leader (unit administrator)-proposed reviewers. The numbering of the letters should remain consistent with the original grid. If the informal

# Process Guide for Continuing Status

(probationary academic professionals only)

invitation is declined and a reviewer is not sent materials, the reviewer's line can be removed but it should not be renumbered. In other words, the numbering should be inclusive of all external reviewers who were informally contacted.

- ii. If a formally-invited external reviewer later declines or fails to submit a letter, the unit may select another dean-approved reviewer who has not yet been formally invited. The balance between candidate-proposed and unit administrator -proposed reviewers must be maintained.
- iii. Unit administrator signs and submits External Reviewers Grid to dean for signature. All reviewers must be approved by the dean before a formal invitation is sent. Do not lock documents and do not use an electronic signature (e.g. Adobe Sign, Adobe Certificate, DocuSign, or font) to sign forms. JPEG signature is accepted.

**Step 5. Formal invitation of external reviewers.** It is recommended that no later than June 1, the unit formally invites and sends review materials to the external reviewers identified on the dean approved and signed External Reviewers Grid. Typically, the invitation is sent by the unit administrator.

- a. Units are encouraged to use the [Sample Outside External Reviewer Request](#). The request letter must ask the reviewer to: provide a statement regarding his/her/their acquaintance with the applicant; evaluate the suitability of the candidate for promotion and/or continuing status; state whether the reviewer would recommend candidate for promotion and/or continuing status at ASU based upon the enclosed department/ college/ASU Library criteria; state whether the reviewer would recommend the candidate for promotion and/or continuing status at the reviewer's institution.
- b. In soliciting external letters, unit must comply with the [General Guidelines for the Solicitation of External Review Letters](#). (See **Important Reminders** section for more information.)
- c. Contents of review packets submitted to the unit to be sent to external reviewers:
  - i. Candidate's current curriculum vitae.
  - ii. Candidate's personal statement.
  - iii. Candidate's publications or other material reflecting scholarly/creative and professional endeavors as submitted in Step 2.c.
  - iv. A current copy of the approved unit and college/ASU Library criteria (as described in Step 3).
- d. Unit coordinates receipt of the external letters and sends reminders for requested letters.
- e. Unit includes the reviewer C# or L# in the top right corner of each page of each returned external reviewer letter.
- f. Units are encouraged to number the pages of each letter.
- g. Units are encouraged to acknowledge receipt of external letters.
- h. All external letters received must be signed by the external reviewer and included in the case file. If an unsigned external letter is received electronically, it should be received from the email address to which the invitation was sent. Unit should include the email at the end of the attached letter.
- i. Unit administrator should note participation status of each external reviewer on the External Reviewers Grid.

**Step 6. Teaching Evidence.** Any candidate whose position description includes an expectation of teaching, the unit compiles and completes the [Confirmation of Teaching Evidence](#) and [Summary of Student Evaluation of Instruction](#) and may include any other data **directly related** to course evaluations.

- a. Student comments should not be included.
- b. Comparative data of teaching evaluation summary and description of the rating scale are required.
- c. All teaching evaluation scores from multiple units should be included. Teaching evaluation scores for cross-listed courses can be merged as long as it is noted on the form under additional information.

# Process Guide for Continuing Status

(probationary academic professionals only)

- d. All years of teaching evaluation scores at ASU should be included for a academic professional applying for promotion and/or continuing status. List all academic year courses taught since hire at ASU (limit to previous ten years). If ten years of data at ASU is not available, please include course information from previous institutions, if available.
- e. Academic unit-directed peer visit reports during the probationary period or since continuing status should be inserted in the Teaching Evidence section by the unit. (If required by the unit/ college/ASU Library bylaws, these pages do not count toward the 50-page/10MB limit described in Step 2 and in the **Important Reminders** section.)
- f. The Confirmation of Teaching Evidence is the first document in the Teaching Evidence section. The Summary of Student Evaluation of Instruction is the next document in the Teaching Evidence section. The Confirmation of Teaching Evidence and Summary of Student Evaluation of Instruction do not count toward the 50 page/10MB size limit described in Step 2.d and 2.e.
- g. Unit bookmarks the first page of each item listed on the Confirmation of Teaching Evidence.
- h. Units are strongly encouraged to review completed Confirmation of Teaching Evidence and Summary of Student Evaluation of Instruction data with candidate and all other evidence provided that documents effective teaching (peer reviews, etc.) prior to unit personnel committee review of case materials.

**Step 7.** For candidates whose position description includes an expectation of research activities, the unit obtains a **Sponsored Activity Report** from dean's office prior to initial internal review. (See instructional information in **Important Reminders** section.)

**Step 8.** **APA Form.** Unit accurately completes [Request for Academic Personnel Action \(APA\) form](#) and adds it to the PDF Portfolio.

**Step 9.** **Submission to unit personnel committee.** Unit securely submits electronic **PDF Portfolio** of each case to unit personnel committee. All sections below are PDFs (no other formats or folders) that are combined into a PDF Portfolio.

- a. The **PDF Portfolio** shall include sections titled and ordered as follows:

## IMPORTANT REMINDERS

### Not Applicable Sections

- Based on the position description, the following sections may not be applicable for a candidate's file. They should still be included in the case as follows:
  - Teaching Evidence: Include a confirmation page with the candidate's signature, noting that the section is not applicable and no materials have been provided.
  - Sponsored Activity: Include the summary page with a note that there is no expectation of external funding (see more on the Sponsored Activity Report below).
  - Publications/Creative Materials: Include a confirmation page with the candidate's signature, noting that the section is not applicable and no materials have been provided.

### 50-Page/10 MB Limit

- Candidates may provide up to 50 pages not to exceed 10MB of electronic material highlighting excellence in teaching, research, and/or service.
- The 50-page/10MB limit includes materials provided by the candidate in both the **Teaching Evidence** and **Supporting Materials** sections.
- The 50-page/10MB limit does not include:
  - Confirmation of Teaching Evidence form
  - Summary of Student Evaluation of Instruction
  - Academic unit-directed peer visit reports, if required by the unit/ college/ASU Library bylaws

# Process Guide for Continuing Status

(probationary academic professionals only)

- Confirmation of Supporting Materials form

## Sponsored Activity Report

- A Sponsored Activity Report shall be included in the case file for all promotion and/or continuing appointment case files whose position description includes an expectation of research activities. Prior to initial internal review, the unit secures from the dean's office a Sponsored Activity Report from OKED Research Analytics.
- Both the summary and detailed reports pages should be included and combined into one PDF, with bookmarks for Summary, Proposals, Awards and Expenditures.
  - If there is no data in the report (\$0 in all categories), you may print the summary page only and bookmarks are not needed.
  - If there is no expectation of external funding, this should be noted on the summary page of the report.
- Units are strongly encouraged to review the Sponsored Activity Report with candidate prior to unit personnel committee review of case materials.
- No changes should be made to the report. A candidate can include more information in the curriculum vitae, personal statement, or supporting materials. If candidate wants to include additional information regarding the data on the Sponsored Activity Report, note on the Sponsored Activity Report that additional information is included in the Supporting Materials or Addendum section of the case file.
- The report should reflect activity from 2000 or time of hire for each fiscal year.

## External Review

- External letters of evaluation are solicited on a confidential basis. Neither the names of the reviewers nor the contents of the letters are to be shared with the applicant for promotion and/or continuing status.
- Solicitation letters to external reviewers should include a statement which describes who will have access to the letters of review and the extent to which confidentiality can be assured.
- All original external evaluation letters received must be included with the file. If possible, academic administrators and deans should explain any troublesome or confusing statement made by an external reviewer in their internal evaluation letter.

## Internal Review

- Each level of review should provide a substantive evaluation of the case and directly address questions arising at earlier levels of review. Internal letters SHOULD NOT repeat case details that have already been addressed. Rather, evaluate the case, correct misstatements, substantiate or challenge claims, and provide additional information. Be scrupulous about providing evidence and documentation for important assertions about the case, and be sure to contextualize these assertions (acceptance rates in journals, significance of specific awards in your field, etc.).
- Each level of review should make an independent recommendation that is informed by recommendations from previous levels of review.
- All committee letters must list the names of all committee members. If a committee member does not participate, either due to absence or recusal or is ineligible to vote, it should be noted in lieu of a signature and included in the summary of the vote. The best practice is to explicitly state the vote such as "The vote for promotion of CANDIDATE to RANK with continuing status (if applicable) is: # recommend and # not recommend, with # abstaining, # recused without presence and # absent."
  - Recommend: In favor of the personnel action under consideration
  - Not Recommend: Not in favor of the personnel action under consideration
  - Abstain: Was present for the discussion, but did not vote because insufficient evidence was provided to make a decision. (Abstentions should be rare.)

# Process Guide for Continuing Status

(probationary academic professionals only)

- Recused without presence: Was not present for the discussion and did not vote because of a possible conflict of interest, personal relationship, or because the committee member had voted on the case in a prior level of review.   - Evaluation of the volume of scholarly activity and expected future contributions.
  - Unit/department expectations and disciplinary culture regarding (co-) authorship, authorship order, and grant activities.
  - Clear specifications of the candidate's contributions to collaborative projects (including external funding).
  - Comparative analysis of the candidate's standing in the field, relative to national peers.

  - Analysis of the candidate's teaching effectiveness.

## Personnel Committee

- All unit, college/ASU Library and university committees meeting to review continuing status and/or promotion files must inform the unit administrator or dean (as appropriate) if there are major faults or omissions in the material or if significant questions or possible misunderstandings arise. The dean may approve inclusion of additional material in order to address the concerns raised. If additional material is approved for inclusion in the case, that material would go into the addendum (see Late-add Materials).
- A plurality of the committee should be present and voting on each case.

## Late-add Materials

- Candidates seeking continuing status in their mandatory review year must have their file complete by the deadline established by the college/ASU Library for submission to begin the review process. Any additional, revised or updated materials received after process has begun is included as an addendum.
  - For materials sent to the external reviewers, the process has begun after the first response from an external reviewer has been received.
  - For materials that are not sent to the external reviewers, the process has begun after the file is shared with the first level of internal review.
  - If the information is received after the first level of internal review, then the materials are forwarded to each previous internal level of review, in order of initial review. A brief statement should be written at each review level stating whether or not the new material would change their earlier recommendation in any way. The statement should be included after the original internal letter by that level of review. The deadline to submit additional materials, including the statement by each prior level of review, to the dean for the case is determined by the college/ASU Library, but cannot be later than November 30<sup>th</sup>. Any additional materials after that time require the dean or university librarian to seek approval from the provost's office for submission.
- Candidates for promotion only, or candidates seeking continuing status before their mandatory review year, must have their file complete at the time of initial submission (which is when the materials are sent to external

reviewers). Each college/ASU Library determines that deadline, typically by June 1. There will be no additional materials accepted for candidates seeking promotion to full or candidates seeking continuing status before their mandatory review year, as they should have their case intact prior to making an application. If a significant new achievement occurs, the dean can discuss the possibility of those materials being added with the provost's office.
